## FROM YOUR PASTOR'S HEART

### **VICTORY DAY . . . with a twist?**

- Imagine the worship center filled with tables and people.
- Imagine the excitement of all of us worshipping and eating together in the same area. We can come and pick out our seats for our family. That makes life easier when getting your food and keeping up with each other.
- Imagine how fun to look around and see friends that we can often miss because we have been so spread out at lunch time all over the campus.
- Imagine an amazing worship service with hearts of all ages praising God together.
- Imagine enjoying the lunch time eating and seeing pictures of the church family (past and present). By the way, for that to happen and include YOUR family, you need to send a picture to Linda Reed for the presentation by Friday, Sept. 15 at NOON. Her e-mail address is inspirationsbylr@aol.com.

It is going to be a wonderful day together and I hope you have made your plans for **Victory Day on Sunday, Sept. 17**. Remember, we will provide delicious Barbeque and bread. We ask our people to bring sides and desserts. There will be carts at the main entrances to help with transporting food to the Fellowship Hall. Most importantly, we encourage you to bring family and friends as we spend this special time together. We are going to celebrate Jesus and all God is doing in our church!

### **You won't want to miss . . . this coming Sunday, Sept. 10.**

We have been talking about the future - and a vision to reach this community of all ages and backgrounds. I will share some plans to kick off that vision. The sermon will include a picture of where we are and where we are going. It will not have all the details . . . you will be part of that. It will give you a sense of your pastor's heart and what God is doing in our midst.

**Our church family will be receiving a letter from me . . . concerning our budget and TWG.** This letter will include updates on our financial picture and direction for the future. Don't just toss the letter aside when it arrives. Read it and be informed

**Thank you for the time . . . to visit with my family in France.** It means so much to Donna and me to see children and grandchildren. I heard over and over how well Nick Daniel and Fred McGuffin did filling in on Sundays and Wednesdays. They always do a great job. I appreciate our staff and how they didn't miss a beat while I was gone. We are a blessed church!
